

## Safrans du Monde Announces 2024 World Tour Destinations

Safrans du Monde, a travel designer specializing in high-end tailor-made trips, world tours and air cruises, has announced its 24-day “2024 World Tour Special Edition” air cruise from March 10 to April 2, covering nine destinations.

Guests will depart Paris and arrive in Mexico City for three nights. Next, they will travel to Hawaii and experience Honolulu and the Big Island for two nights before heading to Fiji for three nights. Then guests travel to New Zealand to explore the scenery, Maori culture and wildlife. The journey continues on to Australia for four nights as guests adventure through the natural reserves of Tasmania before arriving in Perth to explore the Pinnacles Desert or Wave Rock. The next destination is Singapore, where guests will spend two nights before heading to the Maldives. The next stop is Tanzania or, if the guest prefers, Rwanda for a supplemental fee, for the final destination of the world tour.

Safrans du Monde President Guy Bigiaoui said: “As passengers explore the incredible destinations and enjoy their customized itinerary, they are given the chance to discover a diversity of landscapes and civilizations across the world, all while receiving the highest standards of private aviation service while on-board.”

Utilizing the spacious cabin of an Airbus A340 and comfortable seats that transform into flat beds, guests will be pampered by an attentive crew throughout the trip. Guests' luggage will be waiting for them at their hotel room when they arrive at each stop. On each flight, appetizers, canapés and three-course meals are prepared by the private chef, Paul Caussé, and served in French style.

While in-flight, guests can socialize at the on-board bar and enjoy an extensive list of fine wines, spirits and champagne or sip on the signature "Safrans du Monde" cocktail created by Harry's Bar in Paris. Additionally, guests will receive personalized wellness kits from Sothys, a French beauty brand.

Note: U.S. guests can join the world tour from Mexico City to lessen their travel time. Additionally, guests can also arrange a tailor-made program prior to their departure from Paris if interested in extending their trip (includes a supplemental fee).
